

North Hykeham Town Council

Minutes of the Community & Planning Committee meeting 06/25
held on Thursday 2nd April 2026 at 7pm

Councillors Present: A Cruickshanks (Chair), M Lofts, D Lovejoy, D Rawson, K Sampson, H Stewart, R Sylvester, P Wray, D Rawson, T Ogden (Vice Chair), E Smith.

Non-Councillors Present: M Reynolds (Hykeham-in-Bloom), S Reid (SRPA)

In Attendance: E Whittle (Assistant Clerk)
M Parker (Town Clerk)

06-25.1 Apologies for absence and acceptance of reasons given to the Clerk prior to the meeting.

Apologies for absence and reasons given were presented for Cllrs Harrison and Cllr S Sampson and A Phillipson.

It was **RESOLVED** to accept the apologies for absence and reasons given for Cllrs Harrison and Sampson.

Apologies were also presented and accepted for M Biddulph and A Phillipson.

06-25.2 Receipt of any Declaration of Members' Interest under the Localism Act 2011.

Cllr Lofts and Cllr Cruickshanks declared a personal interest in Item 11, as they were acquainted with individuals who had submitted applications for Community Grants. In view of the declaration made by the Chair, it was acknowledged that the Vice-Chair, Cllr Ogden, would take the lead for Item 11.

06-25.3 Minutes of the Community and Planning (CP) Committee held on Thursday, 5th February 2026.

It was **RESOLVED** to accept the draft minutes of the meeting held on 5th February 2026 as a true record of the meeting. These were signed accordingly as the Minutes of that meeting.

06-25.4 Chair's Items

There were no items to report from the Chair.

06-25.5 Correspondence and Clerk's Items

- **Local Neighbourhood Policing Team Updates:** Members were informed of a recent update received from the Assistant Chief Constable.
- **Utilising Amateur Radio to Combat Isolation:** Members were advised that a local resident had made contact regarding the potential use of a Council venue to host an amateur radio group aimed at reducing isolation within the community. It was suggested that the resident be invited to attend a future Events Working Group meeting to discuss the proposal further and support informed decision-making.
- **North Hykeham Railway Station:** A resident had been raised questions concerning a pedestrian crossing near North Hykeham Train Station, which had been signposted to Lincolnshire County Council
- **Public Notice – Inns Close:** Public notice from Lincolnshire County Council regarding a proposed Order under the Road Traffic Regulation Act 1984 to introduce no loading restrictions, Monday to Friday between 8:00–9:30am and 2:30–4:30pm, on existing

waiting restrictions on Inns Close and Richmond Drive. It was noted that the Town Council had previously objected to the introduction of double yellow lines in this area.

- **Final Proposal for Patient Services Hub:** Proposed changes to patient services to include the establishment of a Patient Services Hub at Pilgrim Hospital, Boston.
- **Street Numbering and Naming:** Street numbering updates for Plot 47 (Cleveland Avenue) now being designated as 83 Cleveland Avenue and change of name from Frankie & Benny's to Starbucks and BP Pulse Lincoln EV Hub on Runcorn Road.
- **NKDC Youth Groups:** North Kesteven District Council had requested information on youth groups available in North Hykeham for individuals aged 11–18. S Reid confirmed they would raise this with Sir Robert Pattinson School to gather relevant information for feedback.

Item no	Action	Allocated to	Date to be completed by
05-25.11	Promulgate the campaign via social media, hard copies, Council noticeboards (capacity permitting), and the Gazette.	Assistant Clerk	Completed
05-25.13	Draft and send letter to the Police and Crime Commissioner no later than 28 February 2026	Assistant Clerk	Completed

06-25.6 Receive the Community & Planning Committee's Income & Expenditure report to 27th March 2026

Cllr Cruickshanks drew Members' attention to the Net Expenditure which was noted.

06-25.7 2025/2026 Underspend

Members noted the committee's underspend on events for the 2025/2026 financial year. It was commented that Community Grants had not been applied for historically. It was clarified that the underspend under discussion related specifically to the events and entertainment element of the precept, and therefore Community Grants could not be considered within this context at this stage, however, Members felt that promotion of the Community Grants scheme should continue.

Cllr Rawson queried whether this level of underspend was typical. In response, Income and Expenditure data from the previous five years was shared, confirming that a similar pattern had occurred in each of those years.

It was further noted that the underspend indicates that funds are available to enhance community provision. Members agreed that this would be addressed moving forward, particularly through the development of the Summer Sunday events, informed by the recent community survey.

06-25.8 To discuss community issues raised by organisations represented by the Members of the Community & Planning Committee.

S Reid informed Members of a recently established student focus group at Sir Robert Pattinson Academy (SRPA), which has been exploring activities for young people during school holidays. Suggested initiatives included community litter picks, intergenerational activities with elderly residents, and a local North Hykeham sports tournament. Members noted that the group is particularly keen to focus on engagement with older residents, with initial plans to develop a community coffee morning. This proposal will be progressed further by the students.

Cllr P Wray reported that, following a recent visit to SRPA to present awards, they had spoken with the Head Girl, who has agreed to liaise with fellow students to gather ideas on how local parks could be enhanced to better engage older children.

06-25.9 Hykeham in Bloom – Plans for 2026

M Reynolds informed Members that a meeting of the Hykeham in Bloom volunteer group is expected to take place within the next 10 days, subject to confirmation of availability.

It was noted that agenda items for the meeting will include bulb planting at the Orchard and Tiber Road locations. Members were also advised that the installation of bird and bat boxes is planned for later in the year.

Volunteers are expected to commence work on planters in early June. It was further suggested that local primary schools, Scouts, Brownies, Guides, and similar groups be invited to participate in bulb planting activities to encourage community involvement.

Cllr A Cruickshanks requested a volunteer from the Committee to act as the Council's representative for Hykeham in Bloom, following the resignation of Cllr A Marshall from this role. Any interested Councillor is asked to notify the Assistant Clerk.

06-25.10 Emergency Plan – Cllr P Wray

Cllr P Wray reported that he had met with Kimberley Pickett, Community Resilience Officer at Lincolnshire County Council, and had been advised to list the Community Emergency Plan as "pending" until a suitable venue has been secured. Members noted that responses from potential venues are currently limited. Once a venue is confirmed, the Plan will be submitted.

Cllr Wray further advised that he will be speaking for five minutes at the forthcoming Annual Town Meeting to outline the initiative and invite volunteers to register their interest in supporting the Plan.

It was noted that Cllr Wray was unable to attend the recent desktop training session but intends to attend the next available session. Cllr Cruickshanks thanked Cllr Wray for his work to date.

M Reynolds left the room - 19:46hrs

06-25.11 Grant Applications

Thorpe on the Hill Preschool: Members considered an application from Thorpe on the Hill Preschool for £500 towards roofing repairs. Concerns were raised that the organisation is not based within North Hykeham, and that the application lacked sufficient detail in relation to how the proposed funding would support North Hykeham residents. It was suggested that the applicant may wish to direct their request to Thorpe on the Hill Parish Council.

M Reynolds returned - 19:49hrs

It was **RESOLVED** that the application be refused on the grounds that it is not sufficiently specific to North Hykeham residents and lacks adequate detail regarding the proposed use of funds.

North Hykeham District Girl Guiding: Members considered the application from North Hykeham District Girl Guiding for £1572.14 for the hire of a commercial gas BBQ, food preparation table, propane cannister, chafing dish and chafing dish fuel can. It was noted that the group operates beyond the North Hykeham area. Concerns were also raised that the application related to a £500 deposit for an item to be hired, whereas the Council's Grants Policy specifies that funding must be for purchased items only.

Cllr Lovejoy suggested that the applicant be encouraged to submit a revised application for an item that can be purchased, in line with the policy. The Clerk advised that the current application does not meet the requirements of the Council's Grants Policy as it was for the hiring of equipment and not a permanent purchase; the application, therefore, could not be considered further.

The Joy Foundation: Members considered the application from The Joy Foundation for £615 for a laptop, Microsoft 365 family membership for 1 year and a printer.

It was noted that the organisation had previously been awarded grant funding on three occasions. Members discussed whether this could be perceived as bias; however, it was confirmed that there are no restrictions within the policy regarding the number of times an organisation may be awarded a grant.

It was **RESOLVED** that the application from The Joy Foundation be approved and a grant of £615 be awarded.

06-25.12 Hykeham Trail

Cllr Cruickshanks outlined the vision for the Hykeham Trail, explaining that its purpose is to guide residents and visitors around the town while highlighting key points of interest and the history of North Hykeham. Accessibility has been a central consideration in its development, ensuring the trail can be used by all members of the community.

It was noted that the new trail is intended to replace the existing Hykeham Trail developed in 1999, which is no longer considered accessible.

Members expressed strong support for the initiative, noting its potential appeal for families and community groups. It was also suggested that, as awareness grows, members of the community may contribute additional information and ideas to enhance the trail.

Further suggestions included incorporating the trail into wider community events and initiatives, such as a community scarecrow trail or Easter egg hunt.

Cllr Smith and Cllr Cruickshanks will undertake a joint walk of the route for quality assurance purposes. Following this, the trail will be published on the Council's website and promoted via North Kesteven District Council and social media. Engagement with local schools will also be explored to gather feedback and encourage involvement.

It was **RESOLVED** that the Hykeham Trail be approved and promoted to the community, subject to the completion of all quality assurance checks.

M Lofts and D Rawson left the room at 20:15hrs

06-25.13 Armed Forces Covenant

T Ogden left the room at 20:16hrs. D Rawson returned at 20:16hrs

Cllr Wray presented the 'Hub and Spoke' model to Members and outlined the recent presentation delivered at North Kesteven District Council to other local councils interested in signing the Armed Forces Covenant and learning from North Hykeham's experience.

M Lofts and T Ogden returned at 20:18hrs

The Town Clerk advised that the initiative is now being progressed at a national level, with the Society of Local Council Clerks (SLCC) inviting the Clerk and Assistant Clerk (Armed Forces

Champions) to present at the 2027 conference, including participation in round table and breakout sessions.

It was **RESOLVED** that Witham St Hughs be included as a 'spoke' within the Hub and Spoke model.

06-25.14 Planning for the Annual Town Meeting and Community Fair – 9th April 2026

Members confirmed Councillor roles and responsibilities for the Annual Town Meeting and Community Fair.

It was agreed that information relating to the Hykeham Trail, Community Grant Applications, and Summer Sunday events be displayed on the Councillors' table. It was further agreed that suggestion and comment boxes be provided to enable members of the public to submit questions and feedback.

06-25.15 Christmas Lighting

Members agreed that improvements are required to enhance the festive atmosphere in North Hykeham during the Christmas period. Three proposals for lighting schemes to be displayed around the Village Green area and at the Forum were reviewed. Members noted that discussions were ongoing with Taylor Lindsey regarding potential collaboration on the Forum lighting scheme.

It was **RESOLVED** that the Fizzco three-year lighting plan, at a cost of £6031 + £2722 (excluding vat) per year for years 1 and 2 and then a cost of £5811 + £2722 (excluding vat) for year 3, be recommended to F&P for consideration of funding provision in the financial year 2026/27

06-25.16 Town Council Events planning – Events Working Group updates

Members received an update and questions posed from the Events Working Group for Members to discuss and resolve upon. Members were also informed of the updated results from the Summer Sunday community survey.

It was **RESOLVED** that trader fees remain unchanged at £15 for tables and gazebos, and £30 for trailers and vehicles.

It was **RESOLVED** that Summer Sunday events be held between 2:00pm and 5:00pm.

It was **RESOLVED** that at each event include a face painter, a circus act, and bouncy castles.

It was further **RESOLVED** that the Assistant Clerk be given discretion to allocate the remaining budget to additional entertainment and activities, ensuring value for money whilst meeting community needs.

It was **RESOLVED** that Loos4U be appointed to supply toilet facilities for the Summer Sunday events.

It was **RESOLVED** to extend the meeting by 15 minutes to 9.15pm

H Stewart left the room at 20:57hrs

06-25.17 Speed Indicator Devices

Members considered the current provision of Speed Indicator Devices (SID) and the potential for upgrading to an alternative model. Members felt that a new or different version would not be worthwhile as the data collected does not indicate a sufficient need and the investment cannot be justified in the long term.

H Stewart returned at 20:59hrs

No further action to be taken in relation to Speed Indicator Devices.

06-25.18 Development of C&P committee's 5-Year Plan

There were no comments from Members.

06-25.19 Planning Applications

26/0175/HOUS 19 Ripley Drive North Hykeham Lincoln Lincolnshire LN6 8JD

06-25.21 To resolve whether the Council will move into Closed Session in accordance with the Public Bodies (Admission to Meetings) Act 1960 for the following confidential agenda item:

It was **RESOLVED** to move into a Closed Session

06-25.22 Consideration to approve an amended quote for an entertainer at a Summer Sunday event, in pursuance of the original agenda item and resolution by Town Council (12th March 2026)
 Members were advised that a member of a band booked for a Summer Sunday event had contacted the office to clarify that their standard hire fee is £300, rather than the previously presented £240. It was confirmed that the individual said he had felt under pressure at the time of the initial discussion when asked to produce their “best price.” Members considered the matter and acknowledged the clarification provided.

It was **RESOLVED** that the band’s hire fee of £300 be approved.

The meeting closed at 9:05pm.

Actions from this meeting:

Item no	Action	Allocated to	Date to be completed by
06-25.5	Invite the amateur radio resident to attend a future Events Working Group meeting	Assistant Clerk	7 th May 2026
